PLEASE CAREFULLY READ THE SEPARATE HEALTH AND SAFETY PRECAUTIONS BOOKLET INCLUDED WITH THIS PRODUCT BEFORE USING YOUR NINTENDO® HARDWARE SYSTEM, GAME CARD OR ACCESSORY. THIS BOOKLET CONTAINS IMPORTANT HEALTH AND SAFETY INFORMATION.

IMPORTANT SAFETY INFORMATION: READ THE FOLLOWING WARNINGS BEFORE YOU OR YOUR CHILD PLAY VIDEO GAMES.

WARNING - Seizures

- Some people (about 1 in 4000) may have seizures or blackouts triggered by light flashes or patterns, and this may occur while they are watching TV or playing video games, even if they have never had a seizure before.
- Anyone who has had a seizure, loss of awareness, or other symptom linked to an epileptic condition should consult a doctor before playing a video game.
- Parents should watch their children play video games. Stop playing and consult a doctor if you or your child has any of the following symptoms:

**Convulsions
Altered vision**

**Eye or muscle twitching
Involuntary movements**

**Loss of awareness
Disorientation**

- To reduce the likelihood of a seizure when playing video games:
 1. Sit or stand as far from the screen as possible.
 2. Play video games on the smallest available television screen.
 3. Do not play if you are tired or need sleep.
 4. Play in a well-lit room.
 5. Take a 10 to 15 minute break every hour.

WARNING - Radio Frequency Interference

The Nintendo DS can emit radio waves that can affect the operation of nearby electronics, including cardiac pacemakers.

- Do not operate the Nintendo DS within 9 inches of a pacemaker while using the wireless feature.
- If you have a pacemaker or other implanted medical device, do not use the wireless feature of the Nintendo DS without first consulting your doctor or the manufacturer of your medical device.
- Observe and follow all regulations and rules regarding use of wireless devices in locations such as hospitals, airports, and on board aircraft. Operation in those locations may interfere with or cause malfunctions of equipment, with resulting injuries to persons or damage to property.

WARNING - Repetitive Motion Injuries and Eyestrain

Playing video games can make your muscles, joints, skin or eyes hurt. Follow these instructions to avoid problems such as tendinitis, carpal tunnel syndrome, skin irritation or eyestrain:

- Avoid excessive play. Parents should monitor their children for appropriate play.
- Take a 10 to 15 minute break every hour, even if you don't think you need it.
- When using the stylus, you do not need to grip it tightly or press it hard against the screen. Doing so may cause fatigue or discomfort.
- If your hands, wrists, arms or eyes become tired or sore while playing, or if you feel symptoms such as tingling, numbness, burning or stiffness, stop and rest for several hours before playing again.
- If you continue to have any of the above symptoms or other discomfort during or after play, stop playing and see a doctor.

WARNING - Battery Leakage

The Nintendo DS contains a rechargeable lithium ion battery pack. Leakage of ingredients contained within the battery pack, or the combustion products of the ingredients, can cause personal injury as well as damage to your Nintendo DS.

If battery leakage occurs, avoid contact with skin. If contact occurs, immediately wash thoroughly with soap and water. If liquid leaking from a battery pack comes into contact with your eyes, immediately flush thoroughly with water and see a doctor.

To avoid battery leakage:

- Do not expose battery to excessive physical shock, vibration, or liquids.
- Do not disassemble, attempt to repair or deform the battery.
- Do not dispose of battery pack in a fire.
- Do not touch the terminals of the battery, or cause a short between the terminals with a metal object.
- Do not peel or damage the battery label.

**HELLISH BEASTS
THINGS THAT
POSTCARDS FROM THE EDGE**

DID YOU KNOW?... About 5/6th of the world's population knowingly suffers from some form of psychosis. The other 1/6th suffer as well, but just don't know it.

WELCOME TO BRIGHT DAWN

AN UPDATE FOR YOUR TREATMENT THUS FAR...

Welcome to Bright Dawn Treatment Center, Mr. Redmoor. **PHASE 1** of your treatment was a great success! As such, we have now brought you now to Bright Dawn to undergo **PHASE 2** of your treatment.

You may find yourself suffering from a bout of dizzy spells along with moments of severe déjà vu and general uneasiness. Do not panic as this is common with your treatment. Before long, all unpleasant memories of any past atrocities will be but a whisper on a deaf ear.

"It is important to remember to take your medication. More importantly, do not take any medication that is not your own. Each drug and dosage is specifically calculated to your specific physical chemistry." - Nurse Norris

Thanks to your unique condition the Doctor has developed all new methods of approaching ailments once thought untreatable. Through you a whole new world can be born.

TIME TO RELEARN THE BASICS - PHYSICAL THERAPY

The procedure you have just undergone was extensive. Basic motor skills may have become impaired. Here are some exercises that you can do to regain your functions:

LOOK AROUND

Place your stylus on the bottom screen. Moving your stylus in any direction will allow you to look in that direction.

USING YOUR ARMS

It is likely you are suffering from stiffness in your joints. Simply press the **L** (or **R** Button if you are playing from a left-handed perspective) to extend your arms forward for a nice stretch.

While we do our utmost best to insure the safety of our patients, in the event you may need to defend yourself you can repeat this motion for defensive measures

LEG EXERCISES

Once you feel up to it you should begin a running regiment. Double tap Up on the **+Control Pad** to build up a good sprint (double tap the **X** Button if you are a southpaw). You can also use the **+Control Pad** for general movement. If you're left-handed, you'll use the **X/Y/B/A Buttons** instead..

Add jumping to your training by double tapping the screen or by touching the **Up Arrow** icon on the right side of the screen.

Incorporate squats by touching the **Down Arrow**.

ENVIRONMENT INTERACTION

It is just as important to regain your tactile sensations.

When you come across an item or object you want to interact with an icon will appear at the top of the bottom screen letting you know what you can do (Examine, Open, Take, Use, etc).

"Before, I suffered the most severe case of Ursiphobia ever. Now, bears are my god."
- JD Livergood

COLLECTING ITEMS

The compulsion to collect an assortment of odd items is not unusual for patients in confinement. We like to encourage this.

Whatever you find that you want to hold onto, whether it be notes or odd little relics, you can keep them with you.

HOW TO START YOUR DAY

When you wake up each day you have a number of options to choose from:

NEW GAME

Start fresh from the moment you wake up

CONTINUE

Jump to where you left off in your story

SURVIVAL

Are you well enough to endure these trials?

DELETE DATA

Removing every memory of all you have done is as simple as saying "yes"

GETTING TO KNOW YOUR SURROUNDINGS

Mirrors (Examine to manually save your game and restore your health)

(U.S. and Canada)

Definitions: The term "Software" as used in this Limited Warranty means the computer programs contained on the computer media in this package, together with any updates subsequently supplied by SouthPeak Interactive, LLC ("SouthPeak").

The term "Related Materials" means all of the printed or other materials, if any, provided in or with this package or later supplied, or made available (including, but not limited to, in electronic form via the Internet), by SouthPeak for use with the Software.

Warranty Limited To Physical Media: SouthPeak warrants, to the original retail customer only ("you"), that the computer media containing the Software is free from physical defects in physical materials. The duration of this warranty is 90 days from date of purchase by you. If you discover within that period a failure of the computer media to conform to the foregoing warranty, you must promptly notify SouthPeak in writing. In no event shall such notification be effective for any purpose if received by SouthPeak later than 120 days after the date of purchase by you. In any case where you purchase the Software for delivery to you, the "date of purchase" will be considered the date on which it is delivered. Visit www.southpeak.com, or contact SouthPeak at the address on the back cover of this booklet, for detailed instructions for making warranty claims. Within a reasonable time after you notify SouthPeak and provide your receipt or other proof of date of purchase, SouthPeak will, in its sole discretion, (a) repair or replace the Software and/or Related Materials, at SouthPeak's expense, or (b) refund the entire retail license fee for the Software and Related Materials. These remedies are your exclusive remedies for any breach of warranty.

What Is Not Covered By This Warranty: This warranty does not cover the Software or Related Materials themselves, and does not cover computer media that has been lost or stolen, or damaged by accident, misuse, or modification, and does not cover any hardware or software not supplied by SouthPeak.

DISCLAIMER OF WARRANTY: THE FOREGOING WARRANTIES ARE IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, AND ANY AND ALL IMPLIED WARRANTIES, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ARE HEREBY DISCLAIMED.

NO LIABILITY FOR CONSEQUENTIAL DAMAGES: SOUTHPEAK SHALL NOT BE LIABLE FOR SPECIAL, INCIDENTAL, CONSEQUENTIAL, INDIRECT OR OTHER SIMILAR DAMAGES, EVEN IF SOUTHPEAK OR A SOUTHPEAK AGENT HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, REGARDLESS OF ANY FORM OF THE CLAIM (INCLUDING, BUT NOT LIMITED TO, PRODUCT LIABILITY, BREACH OF CONTRACT OR NEGLIGENCE). THIS MEANS SOUTHPEAK IS NOT

RESPONSIBLE OR LIABLE FOR DAMAGES OR COSTS INCURRED AS A RESULT OF LOSS OF TIME, LOSS OF DATA, LOSS OF PROFITS OR REVENUE, LOSS OF USE OF THE SOFTWARE OR DAMAGE TO ANY OTHER SOFTWARE OR HARDWARE. IN ADDITION, SOUTHPEAK IS NOT RESPONSIBLE OR LIABLE FOR DAMAGES OR COSTS INCURRED IN CONNECTION WITH OBTAINING SUBSTITUTE SOFTWARE, CLAIMS BY OTHERS, INCONVENIENCE OR SIMILAR COSTS.

ANY LIABILITY NOT TO EXCEED RETAIL LICENSE FEE: IN NO EVENT SHALL SOUTHPEAK'S LIABILITY FOR ANY DAMAGES TO YOU OR ANY OTHER PERSON EVER EXCEED THE RETAIL LICENSE FEE PAID FOR THE LICENSE TO USE THE SOFTWARE, REGARDLESS OF ANY FORM OF THE CLAIM (INCLUDING, BUT NOT LIMITED TO, BREACH OF CONTRACT, PRODUCT LIABILITY OR NEGLIGENCE).

No Other Warranties: This Limited Warranty represents the entire and only agreement regarding the warranties applicable to the Software and the Related Materials and supersedes any prior purchase orders, communications, advertising, or representations. No unauthorized person can change the terms of this warranty. Additional statements by agents, employees, distributors and dealers of SouthPeak, such as dealer advertising or presentations, do not constitute warranties by SouthPeak, do not bind SouthPeak, will not be honored by SouthPeak, and should not be relied upon.

Local Law Rights: This warranty gives you specific legal rights; you may have other rights which vary from State to State. Some States do not allow the exclusion of incidental or consequential damages, or the limitation on how long an implied warranty lasts, so some of the above may not apply to you.

Governing Law; Severability: This agreement shall be governed by the law of the Commonwealth of Virginia and applicable federal law, and the choice-of-law provisions of Virginia law shall not be applied to substitute the law of any other State or nation. This Limited Warranty is intended to follow and be governed by applicable law and shall apply to the fullest extent permitted by applicable law, but shall not, and shall not be interpreted or construed as seeking to, apply in any way that is prohibited by applicable law. In the event of any irreconcilable conflict between this Limited Warranty or any provision(s) hereof, and any applicable law, such law shall take precedence, but only to the minimum extent necessary to prevent any application of this Limited Warranty that is prohibited. If any provision of this Agreement is determined by any court of competent jurisdiction, or arbitrator or other legal authority with competent jurisdiction, to be void, invalid, illegal or unenforceable in any respect for any reason whatsoever, such provision shall be construed as being limited or reduced to the extent necessary for it to be valid and enforceable, or shall be reformed so as to make it valid and enforceable (and the court, arbitrator or other legal authority is authorized and directed to make such reformation). If such construction or reformation is not feasible, then such provision shall be deemed to be stricken herefrom, and the remainder hereof shall continue to be valid and enforceable, and shall be enforced, according to its terms. The United Nations Convention On Contracts for the International Sale of Goods shall not apply to SouthPeak's sale, or your purchase, of the Software or to this Limited Warranty.
